Helpful Hints

N/A

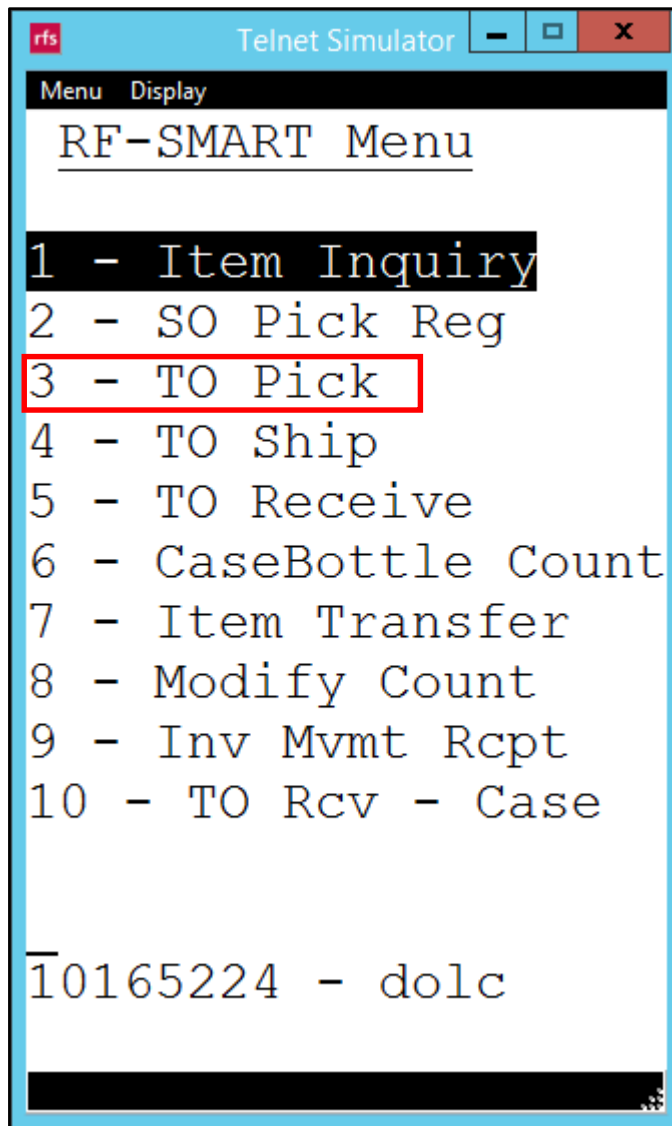

1. Enter your user id in the **User ID** field and press the “Enter” key.

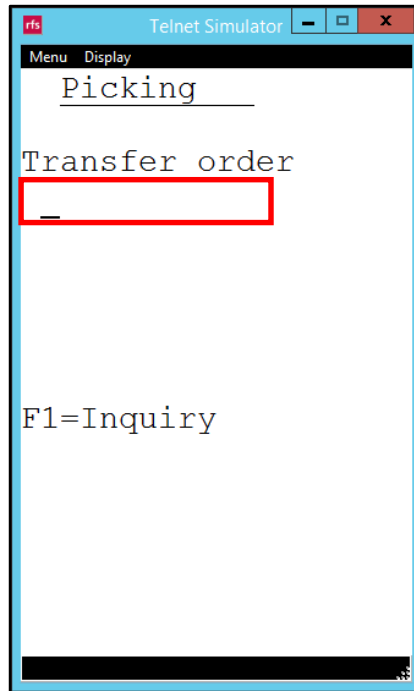

2. Scan your password in the **Password** field.

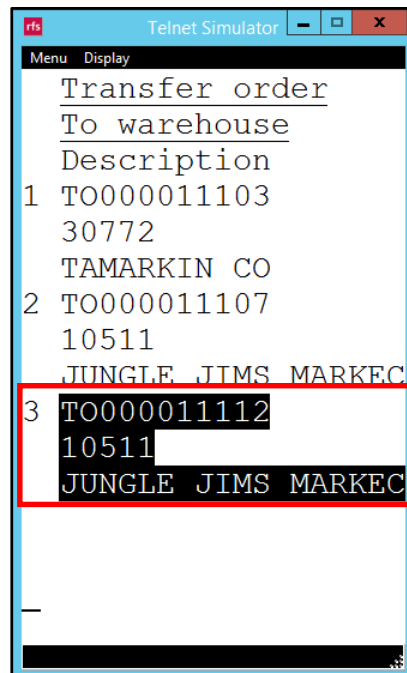

3. Enter "3" then press the "Enter" key.

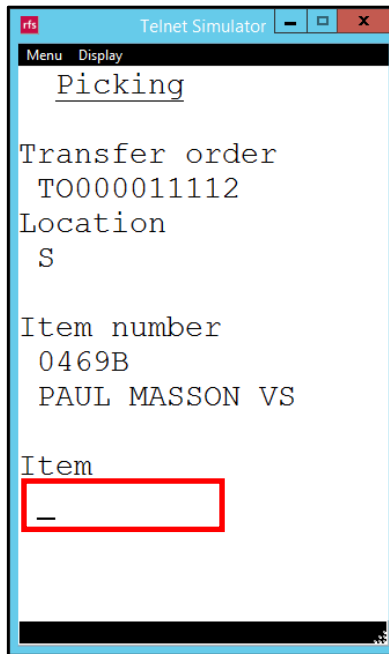

4. Enter the transfer order number in the **Transfer order** field, or press the “F1” key for a list of transfer orders ready for picking. For this example, press the “F1” key.

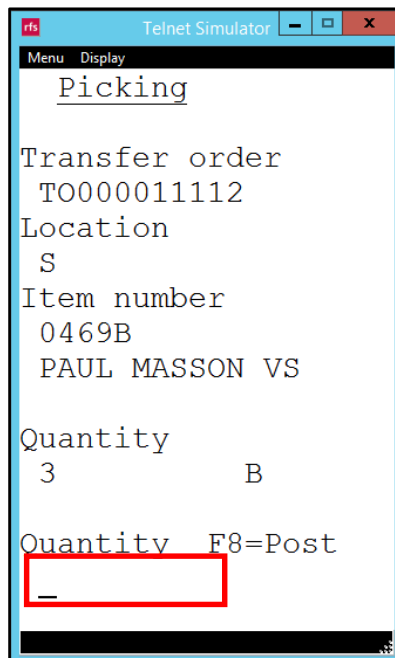

5. Press the “Down Arrow” key to scroll to the transfer order to be picked. For this example, select “TO000011112,” and press the “Enter” key.

6. Scan the item number to be picked. For this example, scan the barcode for “0469B,” and press the “Enter” key.

7. Enter the quantity to be picked in the **Quantity** field. For this example, enter “3” and press the “Enter” key.

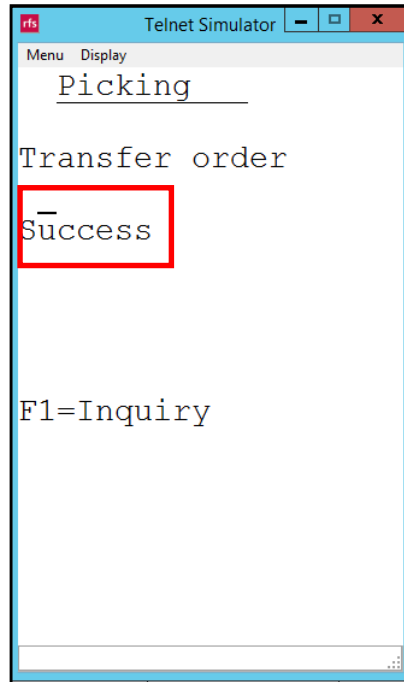

The transfer order has been picked when you see the message "Success."

For transfer orders with multiple products, repeat Steps 6-7.

Results

The transfer order has been picked and is ready to ship.
