

Run Price Bulletin Report

Description

Use this task to run the *Price Bulletin* Report. This report displays the current and historic Retail and Wholesale prices by month.

Trigger

Perform this task when there is a need to view current and historic item prices.

Prerequisites

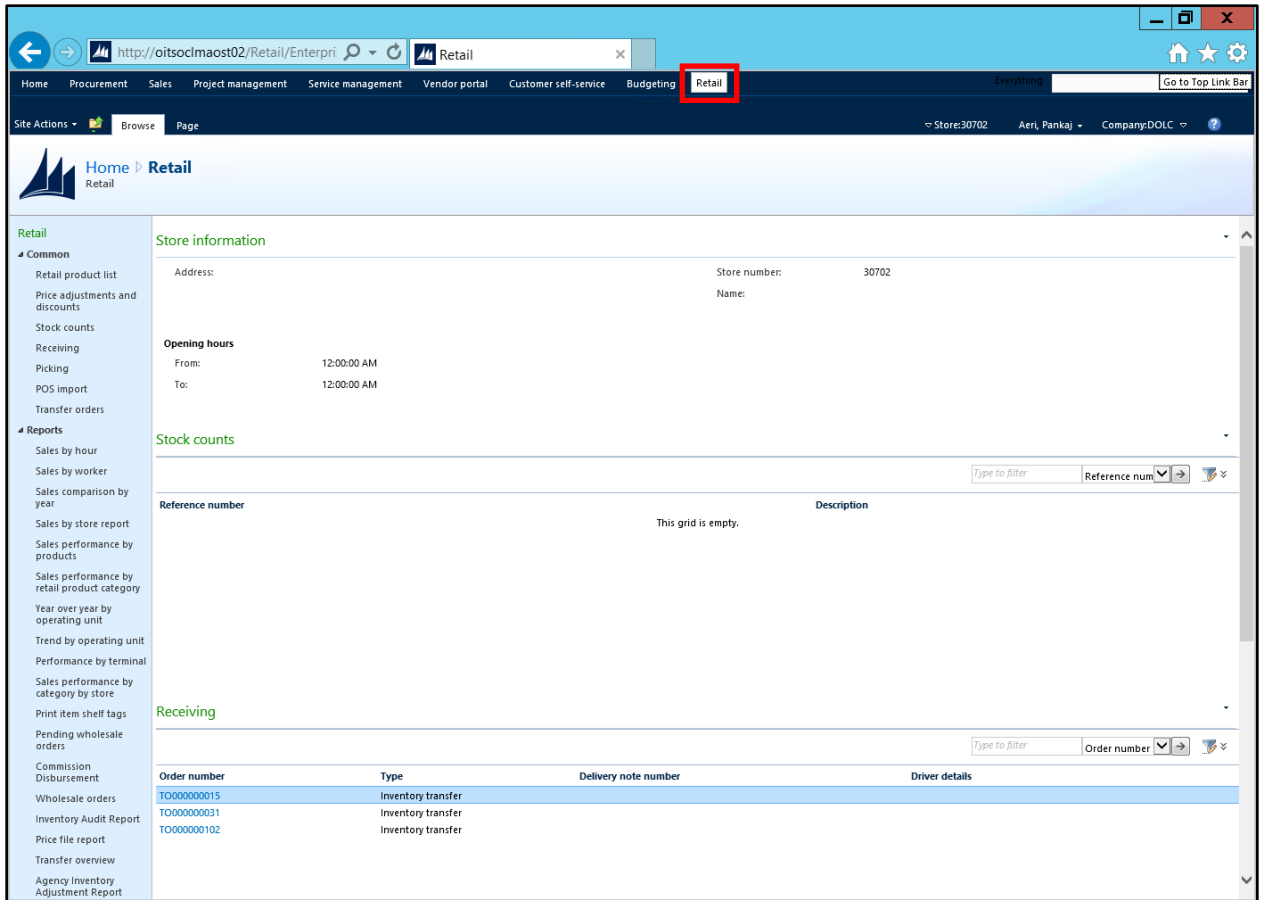

The most current prices have been updated in the system.

Helpful Hints

When the report is run for the first time, it runs for the current month. It may take several minutes for the report to run because it contains a large amount of data.

Procedure

1. Begin this task by logging into the Enterprise portal.
2. Click **Retail** on the toolbar.

3. Scroll down as needed and click **Price Bulletin** in the Retail panel to display the search parameters to run the *Price Bulletin* report.

The screenshot shows a web browser window with the URL <http://oitsocmaost02/Retail/Enterpri>. The page title is "Retail". The navigation bar includes "Home", "Procurement", "Sales", "Project management", "Service management", "Vendor portal", "Customer self-service", "Budgeting", and "Retail". The "Retail" menu is active, showing "Home" and "Retail".

The left sidebar contains a list of reports, with "Price Bulletin" highlighted in a red box. Other reports include "Year over year by operating unit", "Trend by operating unit", "Performance by terminal", "Sales performance by category by store", "Print item shelf tags", "Pending wholesale orders", "Commission Disbursement", "Wholesale orders", "Inventory Audit Report", "Price file report", "Transfer overview", "Agency Inventory Adjustment Report", "Inventory Adjustment Form", "Transfer Orders Report; Agency to Agency", "Agency information listing", "Store Sales Report", "Inventory Transactions", "Brand Master", "Product Information", "Agency Inventory Report", "Holiday Worksheet", "Daily sales", "Daily sales summary", "Retail sales posting report", and "Deployment" (Self-service deployment).

The main content area displays two sections: "Receiving" and "Picking".
